Write Traits – Lesson 9 – Voice

Have your child write a story about the time the Easter Bunny got lost on his way to deliver his Easter eggs. Have them keep their story in their Writing Folder. The Writing Folder is used as an ongoing writing center. The children can choose to write something new or go back and add to a previous piece of writing. When they are finished have them go to Art Hub For Kids to do a directed drawing of an Easter bunny or they can draw and colour their own drawing.
