Reading Passages That Build Comprehension – Context Clues – Page 24 and Page 25 - Read and answer the questions.

Writing - Have the children pick a journal writing activity from one of the writing menus sent home in Learning Package #1 or write something of their choice. They can look in their writing folder for ideas if they like as well. It is probably a good idea to keep the various writing menus in their folder to make them easier to find, as we will be doing daily choice writing now. Completed writing on one side of the folder and writing they aren't finished on the other side. They may want to work on some pieces over a period of time. **They can write whatever they like and then will choose which final (best writing) piece to send to me before June 12. Let them pick the one that they are the proudest of.**

Math

We are now finished new grade 2 concepts and they may review by working through at their own pace the Canadian Daily Math handout that was included in a previous learning package. I will show it to them during Google Hang Out but the front page has Monday – Patterning and Algebra and Tuesday – Number Sense and Operations. I am sending additional math practice pages for fun review.

Religion

Watch a bible story video from the Douglas Talks link on the Weebly Religion page or a Catholic Saints video on the dropdown Saints page under Religion. Mrs. Flowers has also sent videos and crafts to check out. One is titled Fruits of the Spirit (with accompanying craft) and one is titled It Will Be Okay (with the accompanying oval craft). Under the Learning Tips and Odds and Ends tab on the Weebly, there are also some Christian songs and dances they may enjoy.

Tuesday, June 9

Have your child check Mrs. Johnson's Weebly page for Music/Art today.

Language Arts

Poetry/Word Work – Hello! Write the poem on a piece of paper to post somewhere that the children can read daily to practice their fluency and expression.
