LA – Spelling Lesson Week 25 – This week’s focus is to spell words with initial consonant blends tr and st, add the ending –ed after doubling the final consonant, spell say and said, and spell words with the short u sound. Read through the directions of the lesson together so the children are clear on what to do. When completed begin the Write Traits booklet. I have chosen this resource as it is very straightforward for both the children and you. Simply work through each lesson together. Unit 1-Ideas- Complete lesson 1.

Math – Continue in math booklet (12-C)-subtracting ten on a place value chart. Extension activity - Create an addition or subtraction math game using the pages supplied (Name of Your Game). I have provided a planning sheet, game board ideas, and task card template. You can use dice, cards, recipe cards, etc. Be creative and have fun!

Religion-Using our district religion resource provided on my Weebly, say a prayer, play a game, or sing a song. Enjoy exploring the site as there are so many fun things to do.

Tuesday, March 31, 2020

Don’t forget to check out Mrs. Johnson’s link on my Weebly for your music and art lesson. Make sure you take a picture of your completed work to email her. Leahjohnson@gpcsd.ca

LA – Poetry Word Work – Read the poem April together and have the children complete the word work activities. You may want to write the poem on a piece of paper and put it up somewhere so that the children can read the poem daily as we do in school to practice their fluency. When completed, read through and complete Write Traits –Lesson 2.

Math – Continue in math booklet (12-D)-Subtracting ten from bigger numbers. Extension activity – Continue creating and addition or subtraction game to practice your basic math facts.

Religion – Continue in your Religion duo tang and complete drawing and colouring the next page. Read the directions and the accompanying bible verse at the bottom of the page together. Remind them to do a 3 or 4.

Wednesday, April 1, 2020

LA – Read through the first page of the Making Connections booklet together (Rosa to the Rescue). Using a coloured marker, have the children go back and reread the passage to find the answers to the questions on the bottom of the page. They can underline the answer first and then choose the BEST answer for each of the questions. When completed, read through and complete Write Traits-Lesson 3.

Math - I will be giving them a demonstration of the following strategy today – More on the Top...No Need to Stop. We will practice many so they should be clear. Please ensure your child connects to our daily Google Hangout today if possible. Have them practice a few in their problem-solving scribbler that I sent home in their newest Ziplock learning package. Example 72-31. It is important that they remember to line them up, so the ones are in the same column and the tens are in the same column. 2-1 =1 and 7 tens minus 3 tens = 4 tens

It is April Fool’s Day! Go to Art Hub for Kids and have them do a directed drawing of a leprechaun to hang in your window!

Thursday, April 2, 2020

LA – Read through the next page of the Making Connections booklet together (Dr. Seuss). Using a coloured marker, have the children go back and reread the passage to find the answers to the questions on the bottom of the page. They can underline the answer first and then choose the BEST answer for each of the questions. When completed, read through and complete Write Traits-Lesson 4.

Math - I will be giving them a demonstration of the following strategy today – Numbers the Same ... Zero's the Game. We will practice many so they should be clear. Please ensure your child connects to our daily Google Hangout today if possible. Have them practice a few in their problem-solving scribbler that I sent home in their newest Ziplock learning package. Example 72-72. It is important that they remember to line them up, so the ones are in the same column and the tens are in the same column. $22=0$ and $7 \text{ tens} \text{ minus } 7 \text{ tens} = 0 \text{ tens}$.

Health – Caring Behaviours- Read through and complete the first page (draw and colour) in their new Health handout, that came home in the back of their Health duotang with their supplies.

Friday, April 3, 2020

LA - Read through the next page of the Making Connections booklet together (Annie Sullivan)). Using a coloured marker, have the children go back and reread the passage to find the answers to the questions on the bottom of the page. They can underline the answer first and then choose the BEST answer for each of the questions. When completed, read through and complete Write Traits-Lesson 5 - Organization.

Math – Continue creating your addition or subtraction math game of your own or find a math game online to practice.

Religion – Create a cross and write a prayer to God. If you have created a special prayer spot, keep your completed prayer there or share it with your family.

Bubblegum Fun Friday! Find something fun to do with your family.
