### **Religion**

Draw and colour the next page in your religion duotang. Read the Bible verse together and remember to do a 3 or 4 picture always.

**Wednesday, April 22, 2020**

### **Language Arts**

Daily Reading Comprehension booklet – pg.32 Read through once and then have the children go back with a marker to find the **best** answers to the 4 questions.

Write Traits – Lesson 12 – VOICE

I have included so helpful writing boards in your third Ziplock learning package for you to look at and keep in your Writing Folder. Using the Spring Word Bank, continue working on your writing pieces from before if you haven't had a chance to finish them - explain to Mother Nature why she needs to hurry up and bring us more spring like weather! Tell her all the reasons why (convince) and describe all the plans you have for when the snow melts, and your story about the Easter Bunny getting lost. When these pieces are finished, go back to read them aloud to see if they make sense and revise (add to or change) and edit (fix spelling, capitalization etc.).

### **Math**

Problem of the Day – Mr. Shaw has 11 horse and 4 cows. He buys 5 goats and 6 chickens. How many animals does Mr. Shaw have now? Use your green math scribbler. Remember to show the math and answer the question in a sentence.

### **Religion**

Draw and colour the next page in your religion duotang. Read the Bible verse together and remember to do a 3 or 4 picture always.

**Thursday, April 23, 2020**

### **Wear your Spirit Wear Day**

### **Language Arts**

Daily Reading Comprehension booklet – pg.35 Read through once and then have the children go back with a marker to find the **best** answers to the 4 questions.

Write Traits – Lesson 13 – Word Choice

Personal letter. We will be learning how to format a personal letter today. It is important that they continue to practice setting it up properly. They may write a letter to a family member or neighbour if you are comfortable with that. If you don't have an envelope you can make one easily out of a piece of paper by folding it in thirds. There are also more elaborate versions online if your child wants to check them out.

**Math**

Problem of the Day – The police station has 11 police cars and 8 motorcycles. 2 of the cars and 3 of the motorcycles need repairs. How many working vehicles does the police station have? Use your green math scribbler. Remember to show the math and answer the question in a sentence.

**Religion**

Start a list of things that you are grateful for. Add to the list daily.
